Rosebery School *Alumnae*
Excellence. Endeavour. **Opportunity.**

Dear Alumnae

On behalf of the Rosebery School community, I would like to thank you for attending our first official Alumnae Event on Friday 10 March 2017. It was an enormous pleasure to welcome you back through our doors and to share in your confidence and success since leaving Rosebery. Your career journey is an inspiration and this event served as a much needed motivational boost to the self esteem of the current students who attended the evening.

The stimulating atmosphere created by so many inspirational women was very powerful on Friday, and I would like to ensure that we build on the momentum generated at this evening, as it has the potential to have a very positive impact on the mindset, opportunities and outcomes of our students. Your experience and wisdom are highly valuable assets to those of us who work with young people, and for those of you who expressed a willingness to come back again and talk to our students, I thank you most sincerely; colleagues will write to you separately to suggest some possible dates and times in the near future.

To reiterate my message on Friday evening, education funding is now at a critical point and it is increasingly difficult to sponsor all the wonderful initiatives that we would want to deliver. If you can help in any way, with time, money or particular skills, we would love to hear from you.

In the meantime, if you are a LinkedIn member can I please ask you to join our LinkedIn Alumnae group if you have not already done so? Simply search for Rosebery School Alumnae and connect. We send out an electronic Alumnae Newsletter biannually to current email addresses (please do let us know if yours changes) to keep you informed of all school events and student news. We continue to work to create a complete Alumnae database, so if you are aware of anyone who we have not contacted, please do ask them to get in touch via this email address: cfinegold@rosebery.surrey.sch.uk with their name and leaving date.

Once again, sincere thanks for so generously giving your time to your school on Friday; we very much hope to sustain and enhance this new relationship with you all over the coming months and years.

Yours sincerely
