Dear Rosebery Alumnae

Please find enclosed an invitation to our Rosebery Alumnae event on Friday 10 March 2017.

This is set to be our biggest and most important event to date as we celebrate **50 years** since the founding of Rosebery Sixth Form. We have gone to some lengths to ensure our existing students and our valued Rosebery Alumnae are fully aware of the inspiration and opportunity that this event brings.

During the evening, after an official opening by Chris Grayling, MP for Epsom and Ewell, we will hear from three alumnae about their career journey since leaving Rosebery. These very successful women will provide an inspirational snapshot to our current students, at a time when they can learn so much from the experience and wisdom of alumnae as they embark on making significant choices about their university and career pathway.

The evening has been organised to facilitate introductions to be made between alumnae and students, as well as ensuring that there is time for old friends and colleagues to network and catch up with each other.

We do hope you are able to join us and would be grateful if you could reply via email to cfinegold@rosebery.surrey.sch.uk by Wednesday 1 March, with the following information:

Your full name and maiden name (if appropriate)

Your profession

Your year of leaving

Any relevant photos

We very much look forward to seeing you,

Yours sincerely,

Miss Claire Ramsay
