

## **GLF Schools – COVID-19 Testing Privacy Statement**

### **Ownership of the Personal Data**

To enable the Covid-19 testing to be completed at GLF Schools, we need to process personal data for staff and pupils taking part, including sharing of personal data where we have a legal obligation. GLF Schools is the Data Controller for the data required for processing the tests and undertaking any actions which are needed by the school / college to ensure we meet our public health and safeguarding legal obligations.

Personal data relating to tests for pupils is processed under paragraph 7 of the Schedule to the Education (Independent School Standards) Regulations 2014 applicable to academies.

Personal Data relating to staff is processed under the legitimate interest of data controller to ensure we can minimise the spread of COVID in a timely manner and enable us to continue to deliver education services safely and securely.

If pupil or staff member declines a test, we record this decision under the legitimate interest of school in order to have a record of decisions and to reduce unnecessary contact with any pupil or staff member regarding testing.

The processing of special category personal data is processed under the provisions Section 9.2(i) of GDPR, where it is in the public interest on Public Health Grounds. This data is processed under the obligations set out in Public Health legislation (Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI)) which allows the sharing of data for COVID related purposes and where it is carried out by a health care professional **OR** someone who owes an equivalent duty of confidentiality to that data.

Data Controllership is then passed to the Department for Health and Social Care (DHSC) for all data that we transfer about you and your test results to them.
