Careers Information Newsletter

Year 11 Newsletter
5th March 2021

Welcome to the latest edition of the newsletter for this spring term which has been designed to help students consider future option choices and offer enrichment opportunities.

NCS

This youth programme is designed especially for your year group and the experience will give you a clearer idea of what you want from your future. It is your chance to get back out into the world with your friends, get some new skills, make even more friends and make a difference in your community. They are following all Government guidelines with regards to COVID 19 to ensure that the programme is safe for everyone.

This year's NCS summer will either be a 2 or 3-week programme, giving you the chance to gain your independence, get out the house and stay away from home if you opt for three weeks.

Phase 1 will give you the chance to test and challenge yourself by trying out new high-octane adventures. You will also stay away from home (if you're on a three-week programme) and have food and transport provided.

Phase 2 you will learn the skills needed for work, further education and independent living. Completing various workshops to enhance your skills and increase your self-confidence, you will pick up a lot in this phase.

Phase 3 will allow you to plan your own project for a cause that's close to your heart and then action it to help your local communities and really make a difference.

Phase 4 will allow you to let your hair down and celebrate everything you've achieved! You'll also receive a signed certificate from the Prime Minister.

What are the benefits:

- Make brand new friends and increase your independence
- Learn new skills that can be used for work and education
- Enhance your CV and UCAS applications
- Get out into the world
- Build confidence
- Get involved in your local community

- Have fun

It is an exciting opportunity and not one to be missed. You can only do it whilst you are 16 or 17, so if you're looking for a new challenge or a chance to get out the house and make a difference then this is for you.
