Dear Parents and Carers

The rule of six

As you will be aware, **'the rule of six'** comes into force today meaning that it is illegal for anyone in England to meet in homes, or outside, in groups of more than six.

It is important for all students to recognise that they must observe this new law on the way to, and on the way home from, school and your support in reinforcing this with your child would be most helpful.

We would also remind you that students of secondary school age should wear a mask/face covering, under the same conditions as adults - in shops and on all public transport.

Students in Rosebery uniform are easily recognisable, and members of the local and wider community are likely to contact us should students be seen breaking either of these regulations. It is important that all of our students continue to behave in a COVID-19 sensitive way, both in and out of school.

Finally, thank you again for your ongoing support in helping us to ensure all Rosebery students practice great hand hygiene, good respiratory hygiene and social distancing, wherever possible – noting that it is particularly important they continue to appropriately distance themselves from staff and students outside of their year group 'bubble'.

Please continue to stay alert and stay safe.

Yours sincerely

David Lach
