**Rosebery School**

Excellence. Endeavour. Opportunity.

3 March 2021

Dear Parent/Carer

### Year 7 place at Rosebery School

You will have received notification on 1 March 2021 that your daughter has been given a place at Rosebery School.

We are writing to convey our delight that your child will be joining us and to warmly welcome you to our Rosebery community. We are very aware that the pandemic has meant that you have been unable to hear from us in person, to visit the school site, to meet our teachers, and to come and see the school when it is full of students - all crucial elements in the process of determining the secondary school for your daughter. Please be assured that we are committed, as soon as government regulations allow, to inviting you into school, so that you can begin to visualise the environment in which your child will spend the next few years, and to hear from key members of staff who will be supporting and working with your daughter.

In the near future you will begin to receive information from our Admissions team about the practicalities of joining our school, and you and your daughter will also hear from the Head of Year 7, Mrs Ringer, and her Deputy, Miss Canessa, who will be leading a wealth of transition activities to support your child to get to know Rosebery over the next six months. We always work very closely with the primary schools to ensure a smooth transition. After such a challenging year, we will also make sure that we are fully aware of any particular educational, social and emotional issues that have arisen as a direct result of the pandemic.

Once again, welcome to the Rosebery School community and we very much look forward to working with you in the months and years ahead.

Yours sincerely

David Lach
