16 March 2020

Dear Parent/Carer

I am writing to you with reference to the forthcoming trip to Salamanca.

As you are aware the government has directed that all foreign school trips planned for the near future should be cancelled. Whilst the trip to Salamanca is not until May half term, the current predictions that the peak of the virus will be in May, suggests that foreign travel at that time will be at best unwise, and may not be possible. We have therefore made the decision to cancel the trip.

I am sure that whilst this will not be a surprise to you, it will be a disappointment to the students and to you. The staff are very sorry not to be able to run this experience this year. We have our insurance company to make a claim for the cost of the trip. As soon as I have any information about a refund, I will be in touch with you.

Thank you for your understanding and patience as this situation unfolds.

Yours sincerely

Ros Allen
Headteacher
