Rosebery School

Excellence. Endeavour. Opportunity.

5 September 2020

Dear Parent/Carer

Year 8 Design and Technology

Throughout Year 8 your child will complete five units of Design and Technology:

- Unit 1: Metal and alloys - Pewter casting
- Unit 2: Food Preparation and Nutrition
- Unit 3: Fashion and Textiles
- Unit 4: Electronic and Mechanical Systems
- Unit 5: Design in the Media

As a Department we have planned a range of projects that will develop students' core skills in these areas.

For the Food Preparation & Nutrition unit, students will be required to provide their own ingredients. You will receive a letter prior to your child taking this unit which will detail requirements and the necessary ingredients.

We are asking for a payment of £10.00 per student to cover the cost of supplying materials for the other units.

To make your payment please use the ParentPay service called DT Consumables Y8 2020/21. If you have any problems with ParentPay please contact Mrs Murray on hmurray@rosebery.surrey.sch.uk.

If you have any queries, please do not hesitate to contact me on the email below.

In the meantime, thank you for your support.

Yours sincerely

Miss C Lovett
Teacher of Design & Technology – KS3 Coordinator
Clovett@rosebery.surrey.sch.uk
