Rosebery School

Excellence. Endeavour. Opportunity.

12 February 2021

Dear Parents & Carers

We would like to thank you for all of your support at the end of this very busy and exceptional half-term. While we sorely miss seeing our Year 8 students in school, it has been a pleasure to hear about their achievements in remote lessons, and to celebrate these formally in our Celebration Assembly this week. I am particularly proud of all the submissions we have had for our weekly competitions and the caring "Palentines" messages students have sent to each other.

As you will be aware, your child will soon begin the important process of choosing their Options subjects for next year. While the current restrictions mean this process may be slightly different this year, please be assured that your child will still have the opportunity to hear from senior leaders, the Year 8 pastoral team and subject teachers and access to a wealth of support to assist them in how they can best meet their aspirations for the coming years at Rosebery. We will ensure that students are given plenty of time and support to choose the right pathways for them. We hope to launch this on the week commencing 15 March with information about the process and a clear timeline shared in early March, when hopefully we will have more information regarding the potential re-opening of schools.

Finally, best wishes to everyone for a well-deserved restful half-term, with a break from screens and time for positive mental health activities.

Yours sincerely

Miss Hatfield
Head of Year 8
