Excellence. Endeavour. Opportunity.

18 March 2021

Dear Parents/Carers and Year 8 Students

Year 8 GCSE Options Process

Today marks the official start of the Year 8 GCSE options process and the launch of our new Year 8 Options website for 2021. This website will give parents/carers and students the opportunity to explore the different subjects and opportunities available.

You can access the website from 3pm today using the link here:

<https://sites.google.com/rosebery.surrey.sch.uk/roseberyoptions/home>

Please ensure that you watch the videos from our leadership and pastoral teams on the home page to help you navigate the site and to get more information about the options process. You will also see a timeline, detailing the key dates of the options process over the coming months.

Earlier today, you will have received an email with an activation code for the Online Options process, (*please note that this may have gone into your junk email*). Please do not ignore the earlier email, as you will need the code to access the online options area.

Year 8 Form Time and PSHCE sessions will be focussed on the options process for the coming weeks, which will provide plenty of opportunity for support and guidance throughout the decision-making process. From next week, students will also be given GCSE taster sessions in all their subjects, which will provide them with the opportunity to speak to subject specialists and to ask any questions.

Should you have any further questions about the options process, or individual subjects, please contact the Year 8 pastoral team in the first instance.

This is a hugely exciting time for our Year 8 students, and we wish them all the best with the process.

Yours sincerely

B Sheffield
