Rosebery School

Excellence. Endeavour. Opportunity.

25 March 2021

Dear Parent/Carer

We have been so impressed by the enthusiasm with which Year 8 students have started their options process. Their form time activities, alongside the showcase lessons in existing subjects, have prompted really interesting and productive discussions with both tutors and subject teachers. We have also been delighted to see how many of you have been exploring the options website, which can be found [here](#) and contains all the information you need to know about the options process, key dates and information about each individual subject.

Some of the subjects offered in the options process are new to Year 8 students. To ensure that students have the opportunity to experience these subjects, and to meet with the staff who lead them, we have invited all Year 8 students to attend an optional event, after school, on Tuesday 30 March, at which teachers of Business studies, Media Studies, Sociology, Food Preparation and Nutrition, Product Design and Textiles will deliver taster sessions.

Students have already signed up to subjects that they are interested in with their tutor and each student will be issued with an individual schedule for the afternoon. There is no obligation for your child to attend this event if they do not wish to find out more information about these subjects, however we would encourage attendance. Please note that it is essential for students to sign up with their tutor, if they would like to come along. The first session will start at 3.15pm and the last one will conclude at 4.45pm.

Please make the necessary arrangements for your child to make their own way home, as usual, or to be collected from school at the end of their final session.

If you have any questions about this event, please contact your child's tutor or Miss Hatfield, Head of Year 8, by email.

Yours sincerely

H Lowe
