

Monday 14 September

Dear all,

Well wowzers that was a long-awaited week of teaching and learning. Obviously, the school feels so much more 'normal' and it is exhilarating to have you all back. But my message this week is one of information and gently reminding you that it is not as normal as it seems.

We have reiterated the good use of space to minimise mixing and crowding. Please add into this some careful thought about others in our community when you are talking with your friends. Laughter is lovely but what we are laughing about can affect anyone listening and COVID is no joking matter. Some of our community have had very different and difficult experiences over the last six months and I ask you just to be mindful of that.

As we move forward and try to think about ways to make our communal spaces work better, we have decided to allow Year 13 their signing in and out privileges from Monday. Normally we would want to spend longer getting you all back into routines and check your future plans progress. However, allowing you to work from home or leave the site temporarily will give us more space onsite. So, from Monday Year 13 can sign out for the day after their last lesson. If there is enough time between two lessons in the day, they will also be able to sign out and back in again. You remain welcome to stay on site if you want to though! If we feel you are not engaged with the HE process or there are significant diligence issues you will lose this privilege.

Year 12 privileges will be kept under review, but we feel that in these important first weeks you need to develop good study habits and you will have to remain onsite until your September diligence report comes in.

Where there is a will there's a way. This week we completed our information evenings. Whilst these are predominantly for your parents/carers you may want to see what we said or help your parents to find the information they need.

You'll find the links to the talks here. <https://roseberyschool.co.uk/parents/information-evenings-for-parents/>

Get some rest this weekend and take care.

Mr Phillips

Message from Mrs Little

Dear Sixth Formers,

I really appreciate the way all of you have complied with the guidelines for entering and leaving the LRC computer suite. I know how difficult it is to remember all the changes now in place due to Covid 19. You are all amazing!

I also wanted to remind you that the library is open to sixth formers between 8.00am and 2.45pm Monday to Friday for browsing and borrowing books. Lower school will be using the library after school Monday to Friday in their bubbles and I will need time to make the adjustment. I hope to give you all access to the new library catalogue shortly. If you have any questions please do come and see me (at a safe distance 😊).

Enjoy your weekend.

Beginners Guide to a Career in Law 2021

The 2021 editions of '*The Beginner's Guide to a Career in Law*' and '*The Law Apprenticeships Guides*' have just been published. Both booklets are essential reading for aspiring lawyers.

The Beginner's Guide to a Career in Law looks at how lawyers recruit, what they look for in candidates, what candidates need to do when, and how they can maximise their chances, both immediately and as time goes by.

<https://online.flippingbook.com/view/540267/>

The Law Apprenticeships Guide focuses on the different types of law apprenticeship available, the key skills required, and the pros and cons of undertaking an apprenticeship or going to university, with case studies from those who have done it.
