Rosebery School

Excellence. Endeavour. Opportunity.

Please note this policy will be updated when necessary, in line with relevant changes due to COVID- 19.

The aim of the policy

At Rosebery, we firmly believe that all students benefit from regular school attendance. In fact, evidence suggests that a student with attendance of below 90% has only a 27% chance of achieving 5 grades 9-4 in their GCSE results, regardless of ability. To this end, we will do all we can to ensure that our students achieve maximum possible attendance and that any problems that prevent full attendance are identified and acted upon promptly. Our expectation is that all students' attendance is 100%, unless there is a genuine reason for absence approved by the Executive Headteacher/Head of School or delegated member of staff. Each year, a number of students from every year group achieve 100% attendance, demonstrating that this is an achievable target. There are a number of rewards provided for students who achieve termly 100% attendance and yearly 100% attendance which recognises their continued effort.

The legal framework

Under The Education Act 1996, parents/carers are responsible for making sure that children of compulsory school age receive full-time education. Parents have a legal responsibility to ensure their child's regular attendance at the school where they are registered. If a child of compulsory school age who is registered at a school fails to attend regularly at the school, the parent is guilty of an offence under Section 444(1) of the Education Act 1996.

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on school attendance parental responsibility measures. These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)

Expectations

We expect that all students will:

- attend school regularly
- attend school punctually
- attend school appropriately prepared for the day

- discuss promptly with their form tutor, Deputy Head of Year or Head of Year any problems that prevent them from attending school

We expect that all parents/carers who have day to day responsibility for the children and young people will:

- encourage regular school attendance and be aware of their legal responsibilities
- ensure that the child/children in their care arrive at school punctually, prepared for the school day
- contact the school before 8.00am on the morning of each day of the student's absence by calling the 24-hour attendance line [01372 845469] **and** send a letter (attendance@rosebery.surrey.sch.uk) which will be kept on the student's file upon her return to school. The letter should explain the reason and date(s) of absence, giving the student's full name. Any unexplained absence is recorded as unauthorised absence
- contact the school promptly whenever any problem occurs that may keep the child away from school

Note: Participation in extracurricular activities, including after school outings and school journeys, is dependent on the student attending school for the whole day.

Rosebery School has a responsibility to ensure form tutors and teachers:

- complete registers accurately and punctually throughout the day
- session attendance for AM and PM will be taken, during registration and the students' period 4 lesson

Additional note for full return in September 2020 and COVID -19

- Due to staggered start times AM registration will be completed in either registration Year 7-9 or period 1, Year 10-13.
- assist the Attendance Officer in investigating any unexplained non-attendance when the student returns
- inform the Attendance Officer/Head of Year of concerns
- be alert to early signs of disaffection which could culminate in non-attendance and to report these concerns as soon as possible to the Head of Year

Responding to Non-Attendance

When a student does not attend school, the school will respond in the following ways:

- If no telephone call is received from the parent/carer, the Attendance Officer will activate the 'First Day Absence' call; the system will call/text the parent/carer contact numbers until a response is received
- In the event that no response or follow up letter is received; the absence will be recorded as unauthorised
- If there is no response from the parent/carer after 2 days of unauthorised absence, the Head of Year and Assistant Headteacher will be notified
- Further contact will be attempted to the parents/carers and if necessary, a home visit will be conducted

Persistent absence

- Absence is monitored regularly in conjunction with the Inclusion officer from Surrey County Council
- Initial contact will be made by the Head of Year by a phone call or email/letter to the parent/carer of any student with an attendance percentage of below 95% where there are concerns about potential further absences
- If, at the next attendance check, there is no improvement, a letter of concern will be sent home by the Head of Year
- If further concerns arise and attendance hasn't improved a second letter of concern will be sent home by the Head of Year, either to highlight the difference in attendance compared to the rest of the cohort or requesting medical evidence to be provided before authorising any further absences

- If there continues to be no improvement in attendance, a letter of concern will be sent home by the Assistant Headteacher and a referral to the Inclusion officer made by the Head of Year
- Once a referral has been made to the Inclusion officer, they will arrange a meeting to set out the expectations for attendance and relevant targets
- Failure to comply with the expectations set by the Inclusion officer may result in a Penalty Notice being issued, an application for an Education Supervision Order, or court prosecution
- At any stage the school may ask for medical evidence to be provided before authorising any further absences

Lateness

AM Registration 8.30am – Year 7 -9 and 8.50am – Year 10-13, registers are closed at 9.30am

PM Registration 12.25pm

Additional note for full return in September 2020

- Due to staggered start times registers will be closed at 9.30am.
- If a student in Year 7 – 9 arrives late to school after 8.30am but before 8.50am, the form tutor will record the late arrival to include the number of minutes late
- If a student in Year 10 – 11 arrives late to school after 8.50am they are to report to the Attendance Officer to sign in.
- Students arriving at school after 9.00am will report to the Attendance Officer to sign in. Failure to sign in will result in intervention from the Head of Year
- Arrival after 9.30am is recorded as an unauthorised absence and will be reflected in the students' percentage attendance figure
- Continued lateness will be referred to the Head of Year

Holidays

The school holiday dates are published a year in advance and we ask parents/carers to book their family holidays during the school holidays. The Education (Pupil Registration)(English)(Amendment) Regulations 2013, which became law on 1 September 2013, state that headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. The Headteacher should determine the number of school days a child can be away from school if leave is granted. In accordance with the above Regulations, requests for leave of absence are treated sympathetically but only in exceptional circumstances, which can be supported by official documentation, can they be approved. The policy of Surrey County Council, to which this school has agreed, states that parents who take their child out of school for five days or more during term time, without the authority of the Headteacher, will each be liable to receive a Penalty Notice. Penalty Notices will be issued by the Local Authority.

Unauthorised Absences

Unauthorised absences, including truancy, are recorded on a student's registration certificate, which may be used as a point of reference for future employers, colleges or universities.

Absences that the school is unable to authorise include:

- Arrival after 9.30am
- Shopping trips, even if this is for school uniform

- Treat days out
- Looking after a relative/pets
- Trips to the hairdresser/other non-medical related appointments
- Inability to participate in a school activity
- Tiredness following participation in extra-curricular activities

Penalty Notice

The Education Welfare Service, working in conjunction with Surrey County Council, may issue a Penalty Notice as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school and requires the recipient to pay a fixed amount. If a parent/carer removes their child from school without the Head Teacher's permission for 5 or more days (10 sessions), you could be liable for a penalty notice. The amount payable on issue of a Penalty Notice per parent is £60 if paid within 21 days of receipt of the notice, rising to £120 if paid after 21 days but within 28 days. If the Penalty Notice is not paid within 28 days, the Local Authority will consider a prosecution, in the Magistrates Court, for the parent/carer for failing to ensure regular school attendance under Section 444 Education Act 1996. Please note that penalty notices are issued per parent/carer per child. For example, 2 parents/carers with 2 children will receive a total of 4 penalty notices.

Circumstances when a Penalty Notice may be issued

A Penalty Notice may be issued to parents/carers who are failing to secure their child's regular school attendance and are failing to engage with supportive measures to improve attendance proposed by the school or Education Welfare Officer.

- Where a child is taken out of school for a holiday during term time for five days or more within a three-month period (this need not be consecutive) without the authority of the Headteacher, **each parent** is liable to receive a penalty notice for each child. In these circumstances, a warning will not be given where it can be shown that parents had previously been warned that such absences would not be authorised
- Students identified by police and education welfare officers engaged on Truancy Patrols and who have incurred unauthorised absences
- Unauthorised absences or late arrival after the close of registration on seven occasions in any six-week period (not including school closures). The liable parent/carer will receive a written warning from the Education Welfare Services of the possibility of a Penalty Notice being issued and given a maximum of 15 school days to effect an improvement. During this period, the student is not expected to incur any further unauthorised absence
- When an excluded student is found in a public place during school hours within the first five school days of an exclusion without justifiable reason

With the exception of unauthorised holidays taken in term time, parents will be sent a formal warning of their liability to receive such a notice before it is issued.

Changing Schools

It is important that, if families decided to send the child/children in their care to a different school, they inform the Head of Year as soon as possible. A student will not be removed from the school roll until the following information has been received and confirmed in writing:

- the date the student will be leaving this school and starting the next
- the address of the new school

- the new home address, if it is known

The student's school file will not be released to her new school until the correct information is forthcoming.
